

# Field of Dreams Horse Lover's Summer Day Camp 2012

YEEHAW!!! Acres of horse heaven await your child for a summer experience they will never forget. Join us for a 5-day horse camp experience tailored to your child's age and interests.

Students will enjoy horse riding instruction and handling, art, outdoor cooking, fun and games. Campers will enjoy two riding sessions each day in the arena or on trail as well as hands-on education with the horses during "Barn Talk" programs.

Field of Dreams provides hands-on instruction while exploring the social behavior of horses, daily life and care, nutrition, safety, and responsibilities of having horses. Summer campers participate in individual and team exercises, skilled riding tasks, and games to improve their confidence and overall riding ability. Our brand new facility boasts spectacular new indoor and outdoor arenas with over-looking classroom and spectator viewing areas. Parents are invited to attend a horse show and tour the facility on the last day of camp from 2-3:30pm.
